What Our Customers Are Saying About Us....

“Increase In Sales”

I have people walk into my grocery store carrying the latest Log Cabin ad and asking for specific products from the ad, so I know my advertising is working. I have seen our sales increase since we have been advertising in the local paper. We are very happy with our results.

“variety of products to market our business”

The Log Cabin Democrat has a variety of products to market our business. I have tried several of them, the internet, specialty magazines and the daily newspaper. I have had excellent results with all of them. I would recommend advertising in the Log Cabin to anyone.
